Farmers in Tanzania have hopes of a more prosperous life, thanks to agricultural machines developed by a Chinese firm. #GLOBALink Xinhua.

Emerging Chinese-built harbor links past, present and future in Tanzania

A gentle sea breeze stirs the trees on a quiet island off the southeastern coast of Tanzania. Here lie the ruins of Kilwa Kisiwani, once a bustling port on the Indian Ocean trade route, where ships loaded with gold, spices, and porcelain gathered in significant numbers. Now, just across the water, another port is taking shape. The Kilwa Fishing Harbor, dubbed a "port of the future," is rising with ambition. China . org. Cn.

China's BYD to nearly triple South Africa dealers' network by next year

Chinese electric vehicle giant BYD plans to nearly triple its dealership network in South Africa by next year as it looks to grow its market share in the country, a senior executive told Reuters. BYD's move comes at a time of growing competition in Africa's largest automotive market, where sales of new energy vehicles are rising and other Chinese companies - such as GAC, Chery and GWM - are also making inroads.
